

COMMUNITY COLLEGE STEM SCHOLARSHIP

VIRGINIA
SPACE GRANT
CONSORTIUM

OPPORTUNITY

2011-2012

Virginia Space Grant Consortium (VSGC) encourages talented individuals to pursue academic studies and careers in science, technology, engineering and math (STEM). The VSGC provides scholarships of \$1,500 to students majoring in STEM at any Virginia Community College and demonstrating an interest in a career related to aerospace and NASA's mission.

This is a competitive program and awards are based on student academic merit and potential for a successful career in a STEM field. Underrepresented minority students, female students, and students with disabilities are encouraged to apply.

Sponsor:

The Virginia Space Grant Consortium (VSGC) is a coalition of five Virginia Space Grant universities (College of William and Mary, Hampton University, Old Dominion University, University of Virginia, and Virginia Tech), the Virginia Community College System, NASA, state educational agencies, and other organizations representing diverse aerospace education and research interests.

Eligibility:

- Must be a U.S. citizen
- Must be currently enrolled full time in a Virginia Community College and have completed at least one semester of coursework (minimum of 12 credit hours)
- Must be majoring in a STEM program of study
- Must have a grade point average of at least 3.0 on a 4.0 scale
